ARTIST'S STATEMENT

My motto is "Experiences through Paint." I take this seriously, and I often am very demanding of my viewers. I create work that some will list as Abstract Expressionist, I able it as a scene. Like the screens we view films on, I wish to present an image through my work for an individual to watch and actively contemplate.

EXPERIENCE

Private Show at The Blue Room Cafe, Hammond Indiana

November 2012 – April 2013
